Aliya McDaniel has served as the Principal of the Elementary Academy since 2021.

Brianna Riis has served as the Principal of the Middle Academy since 2018.

Chantelle McLean has served as Director of Operations of the Elementary Academy since 2022.

Indigo McCoy has served as Director of Operations of the Middle Academy since 2020.

## SCHOOL OVERVIEW

Leadership Preparatory Brownsville Charter School is a rigorous, college prep public school whose mission is to prepare all students to enter and succeed in college through effort, achievement, and the content of their character. In pursuit of its mission, the school successfully completed its 13th year of operation in June 2022. Leadership Preparatory Brownsville Charter School is organized into two academies: the Elementary Academy, serving students in grades K-4 and the Middle Academy, which serves students in grades 5-8.

Leadership Preparatory Brownsville Charter School school design includes seven core components.

**Focus on Literacy.** Many of our students begin their school career reading substantially below grade level. If a school does not address this dramatic and central issue immediately, students will be at a huge disadvantage in all subjects in high school and college. The ultimate academic success of Leadership Preparatory Brownsville Charter School students, therefore, is tied to mastering this fundamental skill. In 2021-22, Leadership Preparatory Brownsville Charter School provided explicit instruction in literacy skills and inculcated the reading habit respective to grade span.

### Grades K-4

- Scholars have nearly three hours of daily reading instruction, which includes a systematic decoding program (Reading Mastery), a teacher-designed reading comprehension curriculum, the use of the STEP Assessment, and daily read alouds.
- All classrooms are staffed with two teachers to ensure that the student-to-teacher ratio never exceeds 15:1.
- Students are expected to read for at least 15-20 minutes at home each night in Kindergarten and 1<sup>st</sup> grade, and for at least 30 minutes each night starting in 2<sup>nd</sup> grade.
- Students write in every class and use the Writer's Workshop method to cultivate creativity and voice.

### Grades 5-8

- Scholars have two and a half hours of daily reading instruction.
- Scholars are required to read reading level-appropriate books during the summer.
- There is required, graded, written work in every class.
- Scholars are required to carry an independent reading book, checked out from our library, to make better use of transition time in the hallways and other periods of downtime throughout the school day.
- STAR tested every student 3 times during the year to monitor progress and ensure that students were being challenged by independent reading books on their reading level

In the elementary and middle academies alike, K-8 families and scholars are expected to read together for 20 minutes each night as well.

**Target Curriculum Focused on Basic Skills.** Leadership Preparatory Brownsville Charter School does not use an off-the-shelf curriculum. Rather, Leadership Preparatory Brownsville Charter School uses curriculum developed by our Curriculum Assessment Team (CAT) and Lead Lesson Planners (LLP).

Our CAT and LLP develop curriculum directly from the New York State Learning Standards that ensures students master a core set of basic academic skills before they can master higher-level, abstract material.

Our Curriculum Assessment Team (CAT) and Lead Lesson Planners (LLP) pay particularly close attention to the topics, sequence, and performance standards outlined in the New York State standards. This ensures that students are mastering the same material as their peers throughout New York State.

At the same time, both teams adapt the subject topics and performance standards according to their professional expertise and from data-driven feedback from our teachers. CAT and our LLP create a comprehensive curriculum for their subject, saved on our network's shared drive, with a year-long scope and sequence, individual unit plans, daily lesson plans, and assessment materials. Leadership Preparatory Brownsville Charter School teachers will then save their lessons to our school's shared drive with any edits they have adapted for their classroom. Not only does this provide the school with a record of individual course instruction but this also serves as a valuable curricular planning resource for returning and future teachers.

**Assess Early and Often to Drive the Instructional Program.** The most effective schools use assessment to diagnose student needs, measure instructional impact, and build a culture of continuous reflection and improvement. Prior to the scheduled New York State Social Studies, Mathematics, English Language Arts, and Science exams, Leadership Preparatory Brownsville Charter School administered two internally aligned Interim Assessments (3 in ELA, 4 in Math). In the 9-11 Grades, students take quarterly interim assessments in all core subjects, four SAT Diagnostics annually, and the PSAT. These tests assessed ongoing student mastery of Math, Reading/Writing, Science and History skills and standards throughout the year and provided immediate data on individual student and class growth. These assessments were also administered during the COVID-19 closure, virtually. Leadership Preparatory Brownsville Charter School teachers, with the support of the Principal, used this data to identify standards mastered and standards in need of re-teaching so that lesson plans could be continuously adjusted. Leadership Preparatory Brownsville Charter School also utilized the information to target content and skills-driven tutoring and small-group instruction.

Our CAT team also began the use of weekly data collection through small assessments in both ELA and math. The data from these assessments was used by CAT and our LLPs to address gaps in content or skill that they could see trend across our schools.

**Make More Time.** In order to provide students with a comprehensive, college preparatory education, Leadership Preparatory Brownsville Charter School has an extended school day and school year. For most students, the regular school day began at 7:15 A.M. and ended at 4:00 P.M. Leadership Preparatory Brownsville Charter School provides its students with every possible opportunity to learn.

## 2021-22 ACCOUNTABILITY PLAN PROGRESS REPORT

Leadership Preparatory Brownsville Charter School students extend their learning beyond the school day completing, on average, one-and-a-half to two hours of homework every night. Each student, beginning in kindergarten, takes home at least 20 minutes of homework, every evening – including weekends and holidays. Parents/guardians review and sign each evening’s assignment upon completion. Families and scholars are expected to read together for 20 minutes each night as well.

**Emphasis on College.** For too many at-risk students, college only exists in the abstract. For Leadership Preparatory Brownsville Charter School students, freshman year of college will be a natural extension of their educational experience at Leadership Preparatory Brownsville Charter School.

Leadership Preparatory Brownsville Charter School students began talking about college on the first day of school as their advisories are named after the alma maters of their teachers. Through informal conversations in advisory and in classes, students learned about the college application process, financial aid, dorm-life, selecting a major, and other important aspects of college survival.

**Provide Structure and Order.** Students need a safe and orderly environment to be productive. In 2021-22, Leadership Preparatory Brownsville Charter School created a calm, composed, and disciplined environment to maximize the amount of time on-task.

**Insist on Family Involvement.** Leadership Preparatory Brownsville Charter School’s educational program is structured so that families must be involved in their child’s academic pursuits. In 2021-22, Leadership Preparatory Brownsville Charter School families:

- had virtual report card conferences due to COVID-19 health and safety protocols;
- met with teachers and staff on multiple occasions to formally and informally discuss their child’s academic and behavioral performance;
- maintained an open line of communication with their child’s teachers through in-person meetings, weekly dashboards, semi-monthly progress reports, advisory calls and e-mails;
- were asked to offer input on the school on mid-year and year-end surveys, grading the school;
- were invited to multiple virtual social events with scholars, teachers and families focused on strengthening the involvement of parents in the school community

## GOAL 1: ENGLISH LANGUAGE ARTS

### Goal 1: English Language Arts

All students will become proficient in reading and writing of the English language.

#### BACKGROUND

Leadership Preparatory Brownsville Charter School’s curriculum is developed with the goal of maximizing student academic achievement through intentional standards-driven teaching and the systematic use of objective performance data to continually inform decision making. To this end, Leadership Preparatory Brownsville Charter School created a scope and sequence for reading and writing and divided the year into units, each culminating in a formal assessment. The school continues to refine its scopes, sequences, and assessments in alignment with Common Core Learning Standards each school year based on student assessment data.

Leadership Preparatory Brownsville Charter School’s ELA program emphasizes both strong reading and strong writing. In reading, the program emphasizes four key aspects of literacy: decoding, fluency, vocabulary, and comprehension. In the elementary school grades (K-4) there are three 50-minute long literacy blocks each day and students are broken up into groups based on STEP (Strategic Teaching and Evaluation of Progress) levels. In the literacy blocks, students focus on reading mastery, guided reading, and reading comprehension. Students spend 45 minutes writing daily, in addition to the three literacy blocks.

In the middle grades (5-8) rather than separating reading and writing, students have a 2-hour English class. This aligns more closely to the Common Core Learning Standards, whereby students’ written work must be based on a text they have read.

Every year the school provides teachers with an intensive training program whereby we instruct teaching, student behavior management techniques, and strategies to employ in the classrooms and throughout the school. We achieve and maintain complete consistency in messaging, expectations, and responses to student behavior and academic standards throughout the school. Additionally, all staff meet one day each week to review the past week’s progress and to finalize preparations for the coming week. Teachers are regularly observed teaching by the school leadership and receive constant feedback for improvement.

#### ELEMENTARY AND MIDDLE ENGLISH LANGUAGE ARTS

##### Goal 1: Absolute Measure

Each year, 75 percent of all tested students enrolled in at least their second year will perform at or above proficiency on the New York State English language arts examination for grades 3-8.

#### METHOD

The school administered the New York State Testing Program English language arts (“ELA”) assessment to students in 3 through 8 grades in spring 2022. Each student’s raw score has been converted to a grade-specific scaled score and a performance level.

## 2021-22 ACCOUNTABILITY PLAN PROGRESS REPORT

The table below summarizes participation information for this year’s test administration. The table indicates total enrollment and total number of students tested. It also provides a detailed breakdown of those students excluded from the exam. Note that this table includes all students according to grade level, even if they have not enrolled in at least their second year (defined as enrolled by BEDS day of the previous school year).

7	55	0	0	2	5	62
8	59	0	0	0	3	62
All	395	0	0	6	21	422

### RESULTS AND EVALUATION

With 58% of students scoring at a Level 3 or 4, Leadership Preparatory Brownsville Charter School scholars are still working to achieve this measure. In the third year of administration of the New York State Common Core exam in English Language Arts Leadership Preparatory Brownsville Charter School came within 17% points of the absolute measure for ELA.

There are a number of reasons to why our scholars fell short of the goal of 75% at or above a Level 3 on the NYS ELA Exam this year. However, we are confident that the steps we are continuing to implement will help to increase student performance on the exam in the coming year.

- While we continue to align our curriculum to Common Core standards, we look forward to continuing to increase our curricular alignment to the Common Core standards.
- Leadership Preparatory Brownsville Charter School worked hard to focus on writing, by implementing more Writing assessments, continuing teacher practices during writing instruction and teacher feedback on student work after each session. We also focused particularly on reading comprehension, and will continue to do so, by providing teacher feedback on all work and using the feedback to target specific needs for each scholar in ELA.
- Leadership Preparatory Brownsville Charter School will continue to focus on reading comprehension and data driven interventions to ensure the right scholars receive the supports beyond mandated IEPs.

### ADDITIONAL EVIDENCE

#### Goal 1: Absolute Measure

Each year, the school’s aggregate Performance Index (“PI”) on the State English language arts exam will meet that year’s state Measure of Interim Progress (“MIP”) set forth in the state’s ESSA accountability system.

The Institute does not require charters to report on this measure for 2021-22.

#### Goal 1: Comparative Measure

Each year, the percent of all tested students who are enrolled in at least their second year and performing at proficiency on the state English language arts exam will be greater than that of all students in the same tested grades in the school district of comparison.

### METHOD

A school compares tested students enrolled in at least their second year to all tested students in the public school district of comparison. Comparisons are between the results for each grade in which the school had tested students in at least their second year at the school and the total result for all students at the corresponding grades in the school district.<sup>2</sup>

### RESULTS AND EVALUATION

Leadership Preparatory Brownsville Charter School exceeded the district performance for students in grades 3, 5, 6, 7, and 8. Leadership Preparatory Brownsville Charter School fell short of the district performance for students in grade 4.

8	76%	51	53%	55395
All	58%	326	49%	322720

### ADDITIONAL EVIDENCE

#### Goal 1: Comparative Measure

Each year, the school will exceed its predicted level of performance on the state English language arts exam by an effect size of 0.3 or above (performing higher than expected to a meaningful degree) according to a regression analysis controlling for economically disadvantaged students among all public schools in New York State.

The Institute conducts a comparative performance analysis which compares the school's performance to that of demographically similar public schools statewide. Given the timing of the state's release of data necessary to produce this analysis, the 2021-22 results are not yet available.

As such, The Institute does not require charters to report on this measure for 2021-22.

#### Goal 1: Growth Measure

Each year, under the state's Growth Model, the school's mean unadjusted growth percentile in English language arts for all tested students in grades 4-8 will be above the target of 50.

The Institute does not require charters to report on this measure for 2021-22.

### INTERNAL EXAM RESULTS

During 2021-22, in addition to the New York State 3<sup>rd</sup>- 8<sup>th</sup> grade exams, the school(s) primarily used the following assessment to measure student growth and achievement in ELA: **Internally developed**

Based on data from the Interim Assessments administered in 2021-2022, we are making progress towards our goals. We will continue to work towards a higher percentage of students meeting this metric for School Year 2022-2023. Students in Grades 3-4 took 2 interim assessments and students in grades 5-8 took 3 interim assessment during the 2021-2022 school year. All students, regardless if they were attending in-person hybrid or remote learning took these assessments. Those students who were remote only learning for the 2020-2021 school year, were administered these assessments remotely. The chart below represents the percentage of students who are advanced or proficient on their interim assessments. These numbers are consistent with those assessments that were completed during the 19-20 school year, where they attended more in-person learning.

		GRADE	3	4	5	6	7	8

ELA	Assessment #3	LPBVMA	N/A	N/A	60%	64%	65%	68%

### ADDITIONAL CONTEXT AND EVIDENCE

Our student’s results on the 2021-22 interim assessments are in line with those of the results from interim assessments in 2020-2021, which consisted of more in-person learning for all students.

### SUMMARY OF THE ENGLISH LANGUAGE ARTS GOAL

Given the internal assessments provided to students, Leadership Preparatory Brownsville Charter School did meet the ELA goal for the 2021-2022 school year based on the interim assessments that were administered. While there is continued work to do to close the remote learning gap, we are confident in being able to execute our action plan below now that we have returned to full in-person learning for SY2022-23.

### ACTION PLAN

Leadership Preparatory Brownsville Charter School is continuing to improve ELA performance for its students. Our action steps relate to Remediation and Observation & Feedback.

*Remediation:* We will continue to have a tutoring block in the students’ schedule. Daily, teachers will pull out a small group of their students for tutoring, using data from previous year’s NYS ELA exam (as available), internal interim assessments, and daily classroom assessments (called “Exit Tickets”).

*Observation & Feedback:* ELA teachers will continue to receive increased feedback around their action plans and student performance throughout the year. The leadership team has intentionally

planned out observations and feedback sessions so master teachers can effectively and consistently give more feedback on new teachers’ teaching methods and strategies.

## GOAL 2: MATHEMATICS

### Goal 2: Mathematics

Students will demonstrate competency in the understanding and application of mathematical computation and problem solving.

### BACKGROUND

We believe our students should be able to compute numbers quickly and accurately, apply appropriate math procedures in single- and multi-step problems, and speak and write fluently and clearly about math problem solving and procedures, using accurate mathematical vocabulary. For this reason, our students take at least 90 minutes of math per day, during which students review concepts for procedural fluency, explore conceptual understanding of old and new content through guided instruction and partner work, and engage in rigorous problem solving requiring the application of skills and the extension of learned content. Basically, we double the time dedicated to math instruction each day to ensure that students can compute and problem solve.

### ELEMENTARY AND MIDDLE MATHEMATICS

#### Goal 2: Absolute Measure

Each year, 75 percent of all tested students enrolled in at least their second year will perform at or above proficiency on the New York State Mathematics examination for grades 3-8.

### METHOD

The school administered the New York State Testing Program Mathematics assessment to students in 3 through 7 grades in spring 2022. Each student’s raw score has been converted to a grade-specific scaled score and a performance level.

During 2021-22, in addition to the New York State 3<sup>rd</sup>- 8<sup>th</sup> grade exams, the school(s) primarily used the following assessment to measure student growth and achievement in mathematics:

**Internally developed**

Leadership Preparatory Brownsville Charter School typically uses data from the following assessments to ensure student proficiency in Mathematics:

- Criterion-referenced New York State exams in Mathematics
- Internally developed Interim Assessments in Mathematics
- Internally developed Final Examination in Mathematics

During the 20-21 academic year Leadership Preparatory Brownsville Charter School was only able to use Internally developed Interim Assessments in Mathematics due to the COVID pandemic and shift to remote learning in mid-March of 2020, and shifted to optional hybrid learning in 20-21. Leadership Preparatory Brownsville Charter School administered 2 internally developed and aligned Interim Assessments to both Elementary School students and Middle School students. These assessments were created to reflect the school’s scope and sequence in Math, and to mirror the style and scope of the New York State Math exams. The assessments focused primarily on the most recently covered standards, with a smaller focus on cumulative skills and standards covered in previous units.

After the tests were administered, teachers graded each exam and entered individual performance data into a shared template for detailed test analysis. With the individual student, whole class, and whole grade data, teachers analyzed the data and developed strategic plans to re-teach specific standards to individuals, small groups, and classes whether the students were in-person during hybrid learning or entirely remote.

During remote learning that continued through the beginning of January 2021, Leadership Preparatory Brownsville Charter School continued to have consistent Math instruction where scholars in Grades K-8 completed asynchronous learning by watching a video pre-recorded by one of our veteran Math teachers and completing a written task generating a work product at least 2 days per week. Teachers provided weekly feedback on submitted written assignments. Scholars also were able to attend optional live remote instruction. Live remote instruction was data driven based on trends from the previous week’s lesson. Teachers determined the objective and tailored the lesson based on trends from the written assignments submitted.

Growth	Each year, under the state’s Growth Model the school’s mean unadjusted growth percentile in mathematics for all tested students in grades 4-8 will be above the target of 50.	N/A

ACTION PLAN

Over the course of the past school year, Uncommon Schools has made continuous changes to its program in order to ensure that the curriculum, schedule, and instruction best support student learning in math, while accommodating and shifting to Remote Learning. Changes include: revising math lessons so that student activities more closely align to the objective; revising scope and sequences to ensure that math meetings in grades K-3 and fact practices in grades 5-7 are focused solely on reviewing difficult-to-master material throughout the school year; revising quarterly Interim Assessments to ensure that each NYS Learning Standard is taught, assessed and ultimately mastered; and, finally, prioritizing differentiated teacher development.

As mentioned before, we continue to strive for our students to get individualized feedback in both Math and ELA. We know with real-time feedback and continued independent practice, students will be able to refine their skills in both Math and ELA. As a network, we plan to continue to implement a small group instruction into the day in the 2022-23 school year. In small group instruction, students and staff emphasize the importance of preparation and practice with alternating blocks of ELA & Math Monday – Thursday, giving real-time feedback to students on their work throughout the block. Our Curriculum Assessment Team collect this data and work with our principals and Assistant Superintendents to implement data-driven worksheets based on where our students needed the most practice.

We will continue to make these changes, revising scope and sequences as well as provide real-time feedback in-person as we continue in-person learning during the 2022-2023 school year. We feel that our students will continue to benefit from in-person learning and resuming the small group instruction for our students.

### GOAL 3: SCIENCE

#### Goal 3: Science

Students will demonstrate proficiency in the understanding and application of scientific principles.

#### BACKGROUND

The science curriculum at Leadership Preparatory Brownsville Charter School has been designed to provide a solid foundation for students in the essential understandings of elementary and middle science as outlined in the New York State standards.

Leadership Preparatory Brownsville Charter School continues to partner with Uncommon Schools to procure externally-developed, Common Core-aligned curriculum and assessments, which are based on the successful outcomes of the highest performing schools in the network.

Science instruction consistently reinforced both math and reading skills, and our science teachers frequently worked closely with both our Math and English Language Arts teachers to ensure that common approaches and language were used to reinforce cross-curricular content. For example, during the Scientific Method and Measurement unit, students worked with units of measurement, tools of measurement, and conversions between units of measure, reinforcing important math skills.

In terms of supporting literacy, professional development time is dedicated to determining how to best expose students to nonfiction texts during science class each week and how to encourage them to access and use scientific texts for their own learning and study. This exposure to nonfiction provided an important opportunity for students to practice and continue to develop their reading comprehension and vocabulary skills.

Leadership Preparatory Brownsville Charter School students continue to incorporate Science instruction into Reading and Math instruction which consists of students watching a video and completing a task 2 days a week and completing passage practice or problem-solving tasks 3 days a week. Teachers assigned Science based books through the EPIC! Website that aligned to the Science materials that were presented in the videos and packets.

#### ELEMENTARY AND MIDDLE SCIENCE

##### Goal 3: Absolute Measure

Each year, 75 percent of all tested students enrolled in at least their second year will perform at or above proficiency on the New York State science examination.

## 2021-22 ACCOUNTABILITY PLAN PROGRESS REPORT

### METHOD

The school administered the New York State Testing Program science assessment to students in 4<sup>th</sup> and grade in spring 2022. The school converted each student’s raw score to a performance level and a grade-specific scaled score. The criterion for success on this measure requires students enrolled in at least their second year to score at proficiency.

### RESULTS AND EVALUATION

For students enrolled in at least their second year at the school, the goal was not met for grade 4 where only 69% of students received a score of proficient or better on the State Science Exam. We expect to see this percentage increase in the coming years.

Charter School Performance on 2021-22 State Science Exam  
By All Students and Students Enrolled in At Least Their Second Year

Grade	Percent of Students at Proficiency of Students in At Least 2 <sup>nd</sup> Year	
	Percent Proficient	Number Tested
4	69%	35
8	N/A	0
All	69%	35

### ADDITIONAL EVIDENCE

Performance on a Regents Science Exam  
Of 8<sup>th</sup> Grade All Students by Year

Grade	Year	Regents Exam	Percent Passing with a 65	Number Tested
8	2017-18	Living Environment	70%	74
8	2018-19	Living Environment	76%	75
8	2021-22	Living Environment	49%	59

Leadership Preparatory Brownsville Charter School had 49% of students pass the Living Environment Regents exam in the 2021-22 school year. Leadership Preparatory Brownsville Charter School continues to work toward achieving its science goals in the 2022-23 school year.

#### Goal 3: Comparative Measure

Each year, the percent of all tested students enrolled in at least their second year and performing at proficiency on the state science exam will be greater than that of all students in the same tested grades in the school district of comparison.

The Institute does not require charters to report on this measure for 2021-22.

### ADDITIONAL CONTEXT AND EVIDENCE

#### SUMMARY OF THE ELEMENTARY/MIDDLE SCIENCE GOAL

The 4<sup>th</sup> grade students of Leadership Preparatory Brownsville Charter School met and exceeded eligible science goals for school year 2020-2021.

#### ACTION PLAN

In 2021-22, Leadership Preparatory Brownsville Charter School will continue to employ our internally created science programs and extensive hands-on experiments to move students towards competency in the understanding and application of Science.

Leadership Preparatory Brownsville Charter School remains strongly committed to ensuring that our scholars develop the core knowledge that will allow them to become critical thinkers in all areas and will support their development in reading comprehension. We are equally committed to meeting our Accountability Plan goals in Science.

## GOAL 4: ESSA

Due to COVID-19 and the subsequent changes to the state’s testing, accountability, and federal reporting requirements, the 2021-22 school accountability statuses are the same as those assigned for the 2020-21 school year. Assigned accountability designations and further context can be found [here](#).

### Goal 4: Absolute Measure

Under the state’s ESSA accountability system, the school is in good standing: the state has not identified the school for comprehensive or targeted improvement.

## METHOD

Because *all* students are expected to meet the state's performance standards, the federal statute stipulates that various sub-populations and demographic categories of students among all tested students must meet the state standard in and of themselves aside from the overall school results. As New York State, like all states, is required to establish a specific system for making these determinations for its public schools, charter schools do not have latitude in establishing their own performance levels or criteria of success for meeting the ESSA accountability requirements. Each year, the state issues School Report Cards that indicate a school’s status under the state accountability system.

## RESULTS AND EVALUATION

Leadership Preparatory Brownsville Charter School received a “Good Standing” status under ESSA. The school has diligently worked to meet each ESSA requirement and comply with all stated guidelines for testing and we will maintain this going forward.

## ADDITIONAL EVIDENCE

Accountability Status by Year

Year	Status
2019-20	Good Standing
2020-21	Good Standing
2021-22	Good Standing

**Entry 3 Accountability Plan Progress Reports**

Incomplete

## Instructions

### **SUNY-Authorized Charter Schools ONLY- Complete Template and Upload to Epicenter**

SUNY-authorized charter schools must download an Accountability Plan Progress Report template at [Accountability Plan Progress Report](#). After completing, SUNY-authorized charter schools must upload the document into the SUNY Epicenter system by **September 15, 2022**. SUNY CSI will forward to NYSED CSO.

**PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.**

## Entry 4 - Audited Financial Statements

Incomplete

### **Required of ALL Charter Schools**

**ALL SUNY-authorized charter schools** must upload the financial statements and related documents in PDF format into the SUNY Epicenter system no later than **November 1, 2022**. SUNY CSI will forward to NYSED CSO. **SUNY-authorized charter schools** are asked to ensure that security features such as password protection are turned off.

**ALL Regents, NYCDOE, and Buffalo BOE-authorized charter schools** must upload final, audited financial statements to the [Annual Report Portal](#) no later than **November 1, 2022**. Upload the independent auditor's report, any advisory and/or management letter, and the internal controls report as one submission, combined into a PDF file, ensuring that security features such as password protections are removed from all school uploaded documents.

**PLEASE NOTE: This task appears as visible and optional task in the online portal until August 1 2022 but will be identified as a required task thereafter and due on November 1, 2022. This is a required task, and it is marked optional for administrative purposes only.**

## Entry 4a - Audited Financial Report Template (SUNY)

Incomplete

### **Instructions - SUNY-Authorized Charter Schools ONLY**

SUNY-authorized schools must download the Excel spreadsheet entitled "Audited Financial Report Template" at <http://www.newyorkcharters.org/fiscal/>. After completing, schools must upload the document into the SUNY Epicenter system no later than **November 1, 2022**. SUNY CSI will forward to NYSED CSO.

**PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.**

## Entry 5 - Fiscal Year 2022-2023 Budget

Incomplete

**SUNY-authorized charter schools** should download the [2022-23 Budget and Quarterly Report Template and the 2022-23 Budget Narrative Questionnaire](#) from the SUNY website and upload the completed template into Epicenter. SUNY CSI will forward to NYSED CSO. **Due November 1, 2022.**

**Regents, NYCDOE, and Buffalo BOE authorized charter schools** should upload a copy of the school's FY22 Budget using the [2022-2023 Budget Template](#) in the portal or from the Annual Report website. **Due November 1, 2022.**

The assumptions column should be completed for all revenue and expense items unless the item is self-explanatory. Where applicable, reference the page number or section in the application narrative that indicates the assumption being made. For instance, student enrollment would reference the applicable page number in Section I, C of the application narrative.

**PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes only.**

## **Entry 6 - Board of Trustees Disclosure of Financial Interest Form**

**Completed** - Jul 29 2022

Due on August 1, 2022, each member of the charter school's Board of Trustees who served on a charter school education corporation governing one or more charter schools for any period during the 2021-2022 school year must complete and sign a [Trustee Disclosure of Financial Interest Form](#). Acceptable signature formats include:

- Digitally certified PDF signature (i.e., DocuSign)
- Manual signature (1. download to print, 2. manually sign, 3. scan signed document to PDF, and 4. upload into portal)

All completed forms must be collected and uploaded in .PDF format for each individual member. **The education corporation is responsible for completing the form for trustees who left the board during the reporting year.**

Forms completed from past years will not be accepted. **Only the latest version of the form** (updated in April, 2022) is acceptable.).

Trustees serving on an education corporation that governs more than one school are not required to complete a separate disclosure for each school governed by the education corporation. In the Disclosure of Financial Interest Form, trustees must disclose information relevant to any of the schools served by the governing education corporation.

#### Required of ALL Charter Schools

Describe the good faith efforts the charter school has made in 2021-2022 toward meeting targets to attract and retain the enrollment of Students with Disabilities (SWDs), English Language Learners (ELLs), and students who are economically disadvantaged. In addition, describe the school's plans for meeting or making progress toward meeting its enrollment and retention targets in 2022-2023.

able to reach far more students in New York City than if our schools worked independently.

- Uncommon Schools NYC hosted a network-wide Community Day, in which all Uncommon Schools have come together to canvass across Brooklyn, while simultaneously partnering with community organizations to host events in some of our biggest Community School Districts.

- The School used a combined Uncommon Schools application that allowed families to apply to multiple Uncommon Schools with just one application. This made it easier for a family to learn about and access all of our schools and allows our schools to reach a broader population of students.

- In addition to the combined Uncommon Schools application, the School participated in the New York City Charter School Center's Common Application for all charter schools in NYC. By continuing to offer our application as part of the common application for all charter schools, we are able to reach an even broader population of students.

- The School sent out multiple mailings to prospective students throughout the year through Vanguard Direct, Inc., focusing on the zip codes near our schools that have the highest number of FRPL and ELL students. Materials were sent out in English and Spanish, and included a self-addressed, stamped envelope to limit the barrier to return the completed application.

## Economically Disadvantaged

- The School ran both English and Spanish language ads in the New York City Housing Authority Journal. On their website, the NYCHA Journal says they are “hand-delivered to each of the 178,000 apartments in NYCHA’s 334 public housing developments throughout the five boroughs.” It was also be distributed to more than 10,000 NYCHA employees, and mailed to elected officials and community leaders. It was also available through email subscription.
- The School ran both online and in-print Spanish language ads in El Diario - a Spanish language daily newspaper with high circulation throughout Brooklyn.
- The School partnered with El Diario to send a direct Spanish-language email to families that live within our school zip-codes and have school-aged children.
- The School ran advertisements for enrollment on buses with strategic routes throughout the CSDs we serve in Brooklyn.
- Additionally, we implemented an MTA bus shelter advertisement in high pedestrian traffic areas of the neighborhoods in which our schools are located to reach families from within our community school district. The bus shelter advertisements included school-specific information as well as information about our schools, programs, and populations served.
- The School visited the NYCHA sites within our neighborhood on

The school will continue the efforts at left to recruit economically disadvantaged students, and will also:

- Implement a more robust community canvassing plan that involves current families.
- Expand digital advertising efforts to reach a broader population.

multiple occasions to hang flyers, leave applications and speak with residents to ensure that residents of these locations were aware of our school and have the necessary information and materials needed to apply.

- The School ran a digital advertisement campaign that targeted families that live in zip codes near our schools and that have a high number of FRPL eligible and ELL students.

- The School participated in education, health, and career fairs in our school neighborhoods to share information about individual schools and our admissions and application process.

- In order to continue efforts to widely disseminate information about our School to prospective families, this year, the School worked with broadcasting agency, Entercom to run advertisements on two popular NYC radio stations.

See the response to “economically disadvantaged students” above. In addition, the school:

- Used Census tract data to create maps showing the distributions of the populations of the top five most spoken languages after English.

- Using these maps, we created community canvassing walks for the School to take to travel through those neighborhoods. On the walks, school staff and families visited local stores, organizations, shelters, and

apartment buildings and hung flyers and left brochures and applications in English and Spanish at each location. In addition, school staff spoke to residents along the way (in English and in Spanish) to spread the word about our schools.

- We will continue to translate all our outreach materials that are distributed by our schools.

Materials were produced and disseminated in English and Spanish will include our enrollment website and online lottery and waitlist applications, paper lottery applications, full color brochures and flyers, posters, informational packets, and tear away information sheets.

- We utilized the New York City Charter School Center's Common Application, which is available to families in six different languages.

- We identified high priority local community organizations to reach out to, based on factors including location, age group served, and proximity to high non- English-speaking populations. Each organization received a call from the regional admissions office by a fluent Spanish speaking staff member and a mailing including brochures, flyers and applications in all relevant languages.

- We met with the Committee for Hispanic Children, a non-profit referral service which helps Hispanic families find daycares, schools and enrichment

## English Language Learners

programs for their students, to ensure that they were aware of our schools as an option for their families and provided them with outreach materials that they could share with the families that they serve.

- A Spanish speaking staff member was available at our admissions office by phone and email 40 hours a week during student recruitment season.
- We took advantage of the DOE's Over-the-phone Interpretation Services, which allowed our school staff members to communicate with a parent with the assistance of an interpreter on the phone. This service increased our capacity to connect with families who speak a wider range of languages.
- We also know that families of our current ELL students are our best resource to reach new ELL students. All families at our schools will continue to receive applications to distribute to family and friends in English and Spanish. Families of ELL students will continue to receive extra applications. In addition, we worked to identify ELL families interested in volunteering to support student admissions efforts. These families met with a school staff member to learn about a variety of ways that they could get the word out about our schools and distribute applications to others. These families were encouraged to speak at their churches, or other local organizations to spread the word about our schools.

The school will continue the efforts at left to recruit ELL students, and will also:

- Implement a more robust community canvassing plan that involves current families.
- Expand digital advertising efforts to reach a broader population.
- Implement Spanish-Language transit advertisements.

- We ran Spanish language ads with El Diario – a Spanish publication with the largest readership increase than any other daily newspaper in New York. Uncommon Schools will also place bilingual advertisements in the NYCHA Journal and several neighborhood weekly publications throughout the student recruitment cycle.
- Uncommon Schools NYC ran Google and additional digital ads in Spanish so that families searching for information about schools in New York City in Spanish see ads for our school and be directed to our Spanish webpages and applications.
- Each applicant, whether they are selected in the lottery or placed on the waitlist, will receive a letter in both Spanish and English telling them the results of the lottery and the next steps to enrolling in the school.

See the response to “economically disadvantaged students” above. In addition, the school:

- Identified and targeted all preschools that are certified to offer services to students with disabilities in our school communities. Head Starts will be included in this search, as they are mandated to serve a student body with at least 10% students with disabilities.
- Identified a list of preschools, Pre-K programs, and early childhood development centers that are high priority for our

## Students with Disabilities

schools due to their location and student population. These high priority sites received calls, visits, and recruitment materials for both elementary and middle school.

- Worked to build strong connections with our Committee on Special Education to ensure they know we are an option for students, should they wish to recommend students to join us.
- Reached out to related service agencies that we work with/have worked with in the past, to talk about the supports we offer students and asked if they had any students who could be recommended to apply.
- Confirmed that application materials clearly stated that all students, including those with disabilities, are eligible to apply. This language appeared on our enrollment websites, Kindergarten and 5th grade lottery applications, waitlist applications for all grades, the brochures that were distributed to organizations and mail to 24,000 Brooklyn families, as well as in the presentations given at our information sessions.
- Our admissions office and school-based staff will continue to be trained on this question so that they could answer the concerns of any families of potential applicants with special needs who called in.
- Revised our admissions brochure to explicitly mention our high-quality intervention programs that our schools offer of tutoring and small group

The school will continue the efforts at left to recruit students with disabilities, and will also:

instruction.

- We created a one-page overview of Special Education Services at Uncommon to share with prospective families.

Economically Disadvantaged	In accordance with our mission to prepare students for college, we want all of our students, including FRPL, ELL and students with disabilities, to stay with us through high school graduation. The School has had historically high levels of persistence for these sub-populations. We believe that creating high-quality educational program, hiring and training highly qualified teachers, and communicating regularly with families of all students has helped us to achieve high rates of persistence across our student body. We will continue to analyze our data to ensure that we are serving students from these populations as effectively as all other students and keeping them in our schools in the same numbers.	We will continue the efforts described at left in 2022-23 to ensure that high numbers of economically disadvantaged students are given the supports they need to persist in the School.

**Entry 10 - Teacher and Administrator Attrition**

Completed - Jul 29 2022

**Form for "Entry 10 - Teacher and Administrator Attrition" Revised to Employee Fingerprint Requirements Attestation**

## **A. TEACH System - Employee Clearance**

Charter schools must ensure that all prospective employees<sup>[1]</sup> receive clearance through [the NYSED Office of School Personnel Review and Accountability](#) (OSPRA) prior to employment. **This includes paraprofessionals and other school personnel who are provided or assigned by the district of location, or related/contracted service providers.** After an employee has been cleared, schools are required to maintain proof of such clearance in the file of each employee. For the safety of all students, charter schools must take immediate steps to terminate the employment of individuals who have been denied clearance. Once the employees have been terminated, the school must terminate the request for clearance in the TEACH system.

In the Annual Report, charter schools are asked to confirm that all employees have been cleared through the NYSED TEACH system; and, if denied clearance, confirm that the individual or employee has been removed from the TEACH system, and is not employed by the school.

<sup>[1]</sup> Employees who must be cleared include, but are not limited to, teachers, administrative staff, janitors, security personnel and cafeteria workers, and other staff who are present when children are in the school building. **This includes paraprofessionals and other school personnel that are provided or assigned by the district of location, as well as related/contracted service providers.** See NYSED memorandum dated October 1, 2019 at <http://www.nysed.gov/common/nysed/files/programs/charter-schools/employeefingerprintoct19.pdf> or visit the NYSED website at: <http://www.highered.nysed.gov/tsei/ospra/fingerprintingcharts.html> for more information regarding who must be fingerprinted. Also see, 8 NYCRR §87.2.

---

## **B. Emergency Conditional Clearances**

### **Emergency Conditional Clearances**

Charter schools are **strongly discouraged** from using the emergency conditional clearance provisions for prospective employees. This is because the school must request clearance through NYSED TEACH, and the school's emergency conditional clearance of the employee terminates automatically once the school receives notification from NYSED regarding the clearance request. Status notification is provided for all prospective employees through the NYSED TEACH portal within 48 hours after the clearance request is submitted. Therefore, at most, a school's emergency conditional clearance will be valid for only 48 hours after approval by the board.

Schools are not permitted to renew or in any way re-establish a prospective employee's emergency conditional clearance after status notification is sent by NYSED through the TEACH portal.

Schools are asked to attest that they have reviewed and understand these requirements. More information can be found in the memo at [NYSED CSO Employee Clearance and Fingerprint Memo 10-2019](#).

[Instructions for submitting School Calendar](#)

### **Required of ALL Charter Schools**

If the charter school has a tentative calendar based on available information and guidance at the time, please submit with the August 1, 2022 submission. Charter schools must upload a final school calendar into the portal and may do so at any time but no later than **September 15, 2022**.

School calendars must meet the [minimum instructional requirements](#) as required of other public schools *"... unless the school's charter requires more instructional time than is required under the regulations."*

Board of Regents-authorized charter schools also are required to submit school calendars that clearly indicate the start and end date of the instructional year AND the number of instructional hours and/or instructional days for each month. See an example of a calendar showing the requested information. Schools are encouraged to use a calendar template and ensure there is a monthly tally of instructional days.

**PLEASE NOTE: This is a required task, and it is marked optional for administrative purposes**

only.
