3 SCHOOL SELECTION AND RANKING

How the ranked application works: 1) Assign a number to each school you would like to apply to (#1 being your most preferred school.) 2) Do not assign the same number to more than one school. 3) If accepted at more than one school, we will only reserve a seat for your child at the higher ranked school. 4) If you do not rank your selected schools, they will automatically be ranked by proximity to your child's address (closest to furthest).
Ranking a school higher or lower does not increase or decrease your child's chances of being offered a seat at that school.

* The items marked with an asterisk (*) are the only items that may be required in order to apply to this charter school. Any items not marked by an (*) are optional.
